### June 12<sup>th</sup> Meeting

Bob Smedley will demonstrate mounting options that can add dimension to your bromeliad landscape. Bob is a native of Orlando and a landscape bromeliad grower. He was introduced to bromeliads in 1972 by his mentor, Bill Frase.

There will be a bromeliad raffle, show and tell and door prizes. Drinks and food will be provided by the members whose birthdays are this month, but others are welcome to bring goodies too.

I would like to thank Bill Hazard for making the arrangements and coordinating the garden ramble. It was fantastic!

Also the BSI World Conference is June 8-11 and many members will be attending, so they may not be back for this meeting. See you in July.
