

Steve Provost spoke to the club about a need for judges at shows – anyone interested must go through a program of 6 sessions – the first of which is May 1 in Ft. Myers. Steve is also the archivist for BSI which is located at UCF. He shared information on this topic.

Speaker for April will be Dr. Hector Urbina and he will speak on Diseases of the Florida Bromeliad.

Tropiflora is having a festival April 5-7.

Mike Fender reached out to the club on behalf of Kanapaha Botanical Gardens to see if there was interest in helping name plants for KBG and expanding their collection.

A head count indicated 22 people in attendance.

Meeting concluded at 3:45.
