

SEPTEMBER 2020 MINUTES SPECIAL MEETING OF GAINESVILLE BROMELIAD SOCIETY

Sandy called the meeting over Zoom to see if there was interest in trying to hold future meetings on Zoom. Attending this meeting were Sandy Burnett, Mary White, Steve Provost, and Elaine Young.

Sandy suggested that since we would not have speakers, any Zoom meeting would probably be limited to approximately 30 minutes and people could bring for a show and tell their favorite plant.

Sandy would like to have the first meeting on September 27 at 2 pm.
